

FEARRINGTON VENDOR LIST

This service provider list was created in response to requests from Fearington Village residents. It is a work in progress and will continue to evolve over time.

Numerous Fearington residents and Fitch Creations have suggested most of the vendors, and a joint committee of the Fearington Homeowners Association (FHA) and Fearington Cares manages the list. Neither the Fearington Homeowners Association, Fearington Cares, nor Fitch Creations recommend or endorse these vendors, nor do they attest to the accuracy of the information.

It is your responsibility to contact the service providers to confirm that they have the proper license, liability insurance, and references. Be sure to read these “[Tips for Choosing and Dealing with Contractors](#).”

We need your input. Please give us your comments on the service you receive from a listed vendor. Also, let us know if you have a vendor you would like to have added to the list, or have a vendor category we may have overlooked. You may contact us at:

vendorlist@fearingtoncares.org.
