

Ferrington Cares Donation Form

Ferrington Cares lies at the heart of Ferrington Village. Our mission is, through our volunteers and staff, to provide information, services and activities that foster the health and wellbeing of our residents. We work to sustain and enhance independent living and wellness for ALL residents of Ferrington Village.

Here are just a few of our offerings and programs:

- Exercise opportunities and support
- Health Information and guidance
- Nurse office visits and vaccination clinics
- Rides to medical appointments
- Educational opportunities and lectures
- Support groups
- Lists of resident-recommended service providers

As our community of over 2100 residents continue to grow, we need your financial support more than ever to make sure we are there for you and your neighbors, whenever the need arises. Please consider a tax-deductible donation; any amount will help. We thank you for giving as generously as you can.
